Better Start Quality Development Webinar	12 <sup>th</sup> June @ 2.30pm
Exploring the Updated Aistear - Information Sessions	12 <sup>th</sup> June and 19 <sup>th</sup> June
Always Children First Safeguarding Awareness Training	28th June 2025
Change of Circumstances - Tulsa	1 <sup>st</sup> July 2025

#### **Change in Circumstance Applications**

In accordance with the Regulations, a Registered Provider must submit a complete change in circumstance application at least 60 days in advance of the proposed change.

Fully completed applications (which includes the submission of all required documentation) for change in circumstances that are submitted before 01st July 2025 will be approved for operation in September 2025.

Applications submitted after this date are unlikely to be approved in time for the beginning of the new academic year.

Please note that some categories of change requests such as change of service type to part time or full day, change of address and increase of numbers may require a fit for purpose inspection and time taken to complete same. This should be factored into your preparations.

#### Important Information for all applications:

- To ensure a fair and transparent process for everyone, **complete applications** are dealt with in order of date of receipt. As soon as applications are submitted an automatic acknowledgement email will be sent. The registration team will then review and assess each application and liaise with you.
- Only applications with all the required documentation submitted are processed.
- While an application is being processed, we will communicate with you regarding key stages of the application. For example, we will advise you if information is missing, where the service has been passed to our inspection team for a 'fit for purpose' inspection and when the application is approved or closed.
- We do not provide daily updates as this would take us away from the work of processing the
  applications themselves. We ask that you are patient and allow us to undertake the necessary
  work. Where information is submitted correctly, we will process all applications as quickly as
  possible.

• We will only provide updates and respond to queries from the registered provider concerning an application, we do not provide information to third parties.

We make every effort to support providers during what is understandably an anxious and stressful time. However, we are seeing an increase in our officers experiencing threatening, rude and/or abusive conduct. Please be advised staff have been instructed to terminate such calls and the matter will be referred to a senior manager. This conduct will not be tolerated under any circumstances so please ensure you treat our officers with respect.

We will continue to work hard to support providers to complete their applications successfully. We ask that providers:

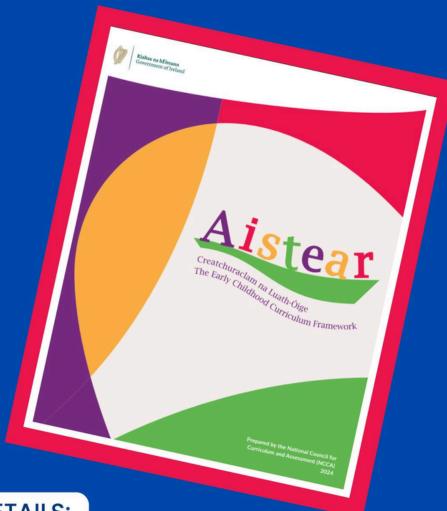

- read the information available on the website carefully
- > understand the required timescales
- >ensure that all necessary documents are submitted for each application
- >work with our staff through the relevant application process

The Early Years Inspectorate takes no responsibility for late or incomplete applications.

# Exploring the Updated Aistear Information Workshops

### **DETAILS:**

## **Programme Readiness 2025 Training**

Dear Service Provider,

Following on from our previous announcement, please see the Programme Readiness 2025 opening dates below:

- ECCE, CCSP and NCS: 6 June 2025
- Core Funding: 9 June 2025

You are invited to attend training on Programme Readiness 2025. The sessions will be held on 9 June 2025 at 10.30am and 10 June 2025 at 2.30pm.

Please register in advance using the links below for the session that you would like to attend:

Session 1: Monday 9 June 2025 at 10.30am Session 2: Tuesday 10 June 2025 at 2.30pm

The training sessions will provide an overview of the following:

- Programme Readiness Changes for 2025/26
- Key points, dates and changes
- Fee Table
- Parent Statement
- Core Funding
- ECCE
- Resources
- Q&A's

We will also show a demo of the key features of the Early Years Hive where applicable.

We kindly ask that questions on the day are kept to the topics that are listed above.

Please forward this invite to any of your team who may be interested in attending this training.

A recording of this training will be made available for anyone who is unable to attend on the day.

Regards, The Early Years Team

# Better Start Quality Development Service Information Webinar is Almost Here!

Date: June 12th

Time: 2.30pm - 3.30pm

Location: Microsoft Teams Online webinar

**Duration: 1 hour** 

Registration Link: Here

Our team works in a mentoring capacity with Early Learning and Care settings to support the implementation of the National Frameworks Síolta and Aistear.

Register today to secure your spot at our next webinar: Better Start Quality Development Information Session.

Meet Our Team: You'll have the chance to connect with team members and explore the mentoring options available for your setting.

How to Register: Visit the Better Start website <u>Training</u> & <u>Events Archive - Better Start</u> or click on the <u>Registration Link</u> to sign up.

# NSLF student portal open for continuing students to confirm eligibility

Continuing Students: existing students who successfully received NSLF funding for academic year 2024/2025 and wish to continue to receive funding for NSLF for academic year 2025/2026.

Dear Service Provider,

The Nurturing Skills Learner Fund (NSLF) Student Portal is open today (4 June 2025) for continuing students to confirm their eligibility and intention to progress in their chosen course to continue to receive their NSLF funding for the academic year 2025/2026.

The closing date to complete the eligibility confirmation is Wednesday 25 June 2025.

Please advise your staff to contact NSLF@pobal.ie if they have any queries.

Important: Failure for a continuing student to confirm their eligibility within the open and close dates will lead to a withdrawal of NSLF funding.

Regards,
The Early Years Team

# Checks to ensure that hours of school and ECCE attendance are not included in NCS registered hours

Dear Service Provider,

Checks to ensure that hours of school and ECCE attendance are not included in NCS registered hours.

As you are aware, the purpose of the National Childcare Scheme (NCS) is to provide financial support for parents towards the cost of their childcare with a service provider. The hours of care required are agreed between the parent and the service provider. Once agreed, then the hours claimed under NCS should reflect this arrangement.

It is important to note that the child should only be registered on NCS for hours that they require and intend to be present in the service. In particular, NCS subsidised hours cannot be claimed for hours that the child is in education (i.e. ECCE or school).

For ECCE and school-age children, NCS subsidised hours can only be claimed in the following scenarios during term time:

- childcare used before preschool or school starts in the morning (e.g. a breakfast club)
- after-school childcare

Children may attend for additional hours on school closure days. Confirmation of your compliance with the rules above can be reviewed as part of compliance inspections. Services are therefore advised to have details of school calendars and school opening/closing times on file for school-age children who attend their facility.

We want to take this opportunity to thank services in advance for your continued co-operation with compliance checks.

Kind regards, Pobal & DCEDIY Compliance Teams

## **ECCE** compliance

It is the responsibility of the Service Provider to ensure compliance with their contractual requirements. Service providers should ensure that they understand and adhere to the ECCE Funding Agreement. Failure to do so will result in non-compliance and will require corrective action.

In order to make compliance visits as efficient as possible for both providers and visit officers, service providers should ensure that their compliance file is kept up to date and contains:

- · Attendance records
- Enrolment details (including minimum enrolment exemption where relevant);
- · Parental declaration forms
- Parent letters
- Fee records
- · Staff qualifications
- · Higher capitation forms

The below documents offers guidance for service providers on ECCE compliance:

- ECCE Compliance Checklist 23-24
- ECCE Compliance Approved Provider Guide 23-24
- ECCE Post-Inspection Rectification Actions 23-24
- ECCE Good Practice Guide for Attendance Records

## **National Childcare Compliance**

- Accessing the NCS Compliance Report on Hive
- NCS Compliance Checklist
- NCS Compliance Service Provider Guide
- NCS Post Inspection Rectification Actions

## **CCSP Saver Programme compliance**

It is the responsibility of the Service Provider to ensure compliance with their Funding Agreement requirements. Failure to comply with any of the terms of the Funding Agreement may result in the suspension of CCSP Saver Programme Funding and/or DCEDIY funding or part thereof may be withdrawn and/or a termination of this Funding Agreement.

In order to make compliance visits as efficient as possible for both providers and visit officers, providers should ensure that their compliance file is kept up to date and contains:

- Attendance Records
- Service Fee Information Letters
- · Parental declaration forms;
- Parent/guardian letters;
- Fee records;
- Staff qualifications and letters of qualifications;
- Grandfathering declarations as applicable;
- Evidence of Tusla registration(s).

#### The compliance file must be kept on site and available for inspection at all times.

Services should also ensure that:

- Registrations are correct,
- Fees list and calendar, for all approved funding programmes, are clearly displayed for parents and,
- There is a staff member on site at all times who has access to the compliance file and can facilitate the visit. Failure to do same could result in a service being found non-compliant.

Please note that if the records are readily available for review any interruption to the service will be minimal, other than seeking clarifications when required.

To assist services to comply with the CCSP Saver Programme requirements, the Department and the Scheme Administrator provide a range of training and supports.

#### These include:

- CCSP Compliance Checklist 23-24
- CCSP Compliance Approved Provider Guide 23-24
- CCSP Post-Inspection Rectification Actions 23-24

Providers are strongly encouraged to engage with these supports, both before and after compliance visits, to ensure that they maintain compliance with scheme rules.

## **AIM Level 7 Compliance**

AIM Level 7 compliance checks will be commencing on AIM Level 7 payments from the week beginning 22 April 2024. This will involve a series of standardised checks on AIM Level 7 approved capitations relating to additional assistance in the pre-school room and the maintenance of reduced ratios.

The compliance checks are aimed at confirming adherence with AIM Level 7 rules and contract conditions as set out by the Department of Children Equality Disability Integration & Youth (DCEDIY).

To ensure the compliance checks can be conducted at unannounced inspections, please ensure that the person in charge on-site has access to the following records to present to the Visit Officer for review:

- The child attendance records for each of the ECCE sessions attended by child/ren benefitting from AIM Level 7
- The Staff Qualifications for staff working in these ECCE session/s

The Pobal compliance team have uploaded additional compliance support documents to the Hive in order to assist services in preparing for a compliance inspection. The documents, which are listed below, are available under the Resources section and can also be accessed through this link

- AIM Level 7 Compliance Guide for Approved Providers 2023 2024
- AIM Level 7 Compliance Checklist for Approved Providers 2023 2024
- AIM Level 7 Rectification Actions Guide 2023 2024

Please note - these documents are only supports, intended to assist you. There is an onus on each provider to familiarise themselves with their responsibilities under the AIM Rules (AIM Level 7 included) and contractual conditions.
